Chrysalis Experimental Academy and Feel Beautiful Today

Marietta, Georgia- August 10, 2011-Feel Beautiful Today was recently honored to be named a beneficiary of an exciting bold new program that the Chrysalis Experiential Academy (CEA) announced with their business partner, Vintage and Vogue, a consignment boutique in Roswell, Georgia, which is run by Maria Sullivan. Chrysalis will sponsor a "Girl's Only" entrepreneurial venture to benefit the nonprofit Feel Beautiful Today. Lynn Goldstein, formerly of Neiman Marcus and American Express Travel will serve as one of the girls business mentors. In this venture, the CEA girls will have the opportunity to learn about fashion merchandising by participating in selling high quality clothes donated by Vintage and Vogue. 1/3 of the profits will go to the school, 1/3 will go to Feel Beautiful Today and the last 1/3 will be shared by the Chrysalis lady entrepreneurs that run the charitable enterprise.

About Chrysalis Experimental Academy:

Chrysalis Experiential Academy is a private school for students in grades 6 through 12 living in and around Roswell, Georgia. All of our students bring a set of unique gifts and talents to our school community, enabling us to build on their strengths while concurrently assuring that they have established a solid foundation. We endeavor to be student focused. All of our students must meet the state graduation course requirements but Chrysalis is different because we meet them via multi-sensory instruction and authentic learning experiences.
