## Our Beneficiaries

American Cancer Society's Hope Lodge

- **Created** a Sponsorship Program for corporations and individuals as well as a Grant Package to enable FBT to raise the funds needed to offer even more programs to women and girls affected by cancer
- **Celebrated** our fourth anniversary
- **Reached** another milestone – to date we have created beautiful moments of hope for 3,000 cancer patients and survivors

## Your support made all the difference

You made all of this happen. Without your support we would not have been able to accomplish all of this, so thank you with all of our hearts!

We would like to especially thank the following organizations and people for all of their efforts in support of our mission. First, we would like to thank our 3 major sources of volunteers: two chapters of the National Charity League, East Cobb chapter and Gardenia chapter; and, the Go program from the Fellowship Christian School. We would also like to thank our amazing group of trained volunteers that helped prepare for the events, assisted the patients at the events, performed quality control audits and sanitizing after the events, wrote and edited articles, or who just lent a much appreciated hand when one was needed this year. Without all of this support, we would not have been able to serve the 900 cancer patients and survivors this year.

## We can touch many more lives in 2015

Now as 2014 comes to a close and we prepare for 2015, it is a great time to continue hoping and setting goals for how many lives we will positively impact in the coming years. The priceless memories that took a hold of our hearts every time someone received our gifts this year are driving us to work even harder in 2015. According to the latest American Cancer Society Facts and Figures report, there were 47,390 new cases of cancer reported in Georgia. That is in addition to the 49,280 reported in 2013. So clearly, many more people in Georgia can benefit from our brand of love, hope and encouragement. But to reach these people, we need your continued support. We hope that you will continue to partner with FBT as we attempt to bring our programs to even more patients and survivors in 2015.

Merry Christmas and Happy Holidays to you and yours!
