## TOUR DE SCUPTURES

How would you like to decide which piece of art the city of Suwanee purchases for its permanent art collection? With **Suwanee SculpTour**, you can do just that. Take a stroll through downtown Suwanee's Town Center and check out 15 different sculptures on loan to the city by various artists. With more than 30 sculptures submitted for consideration, each piece of art was selected by the Suwanee Public Arts Commission and chosen based on criteria such as quality of workmanship, originality and structural soundness. Between the dozen artists selected to participate, many different materials were used in each sculpture including steel, concrete, fiberglass and even a phone booth. With names such as "Dreams of Flying," "Catching the Wind" and "Magic Rain," these works of art are sure to inspire your creative side. Once you've taken it all in, you can vote online for your favorite masterpiece. The most popular sculpture will be purchased by the city, making it a permanent fixture for residents and visitors to enjoy. For more information on SculpTour, visit [www.suwanee.com](http://www.suwanee.com). This outdoor exhibit will be available through March of 2012, so you have plenty of time to be inspired before choosing your favorite sculpture.
