Celebrating 4 Years of Service!

With hearts filled of joy and faith, Feel Beautiful Today is happy to announce that September marks the 4-year anniversary of our mission. We are celebrating 4 years of providing, hope, love and encouragement, through our 3 creative programs, to women and girls affected by cancer.

Here at Feel Beautiful Today, we could not be more pleased with the outcome of our vision. Our story began with the desire to bring a smile to courageous humans going through the cancer diagnosis, and with the help of all of you, Feel Beautiful Today is making a real difference in the community.

Through your donations, volunteer hours, event participation, and communication about our organization, Feel Beautiful Today has been able to bring our programs to more than 2,700 oncology patients at 12 local hospitals supporting our mission. These creative programs have a uniquely positive impact on the cancer patients, survivors and their families, making them feel special and beautiful at a time when it is most difficult.

We want to thank you for being a part of our story, one that we hope to develop and grow, as we can continue to impact lives.

September and October are cancer awareness months, and Feel Beautiful Today would like to make an ambitious effort to bring our Boxes of Love to 100 cancer patients and survivors. With your help, we hope to deliver 50 to our local beneficiary hospitals and sponsor 50 cancer patients to attend our workshops by the end of October.

Here a few ways you can help us with our goal

- Providing Corporate Grants or Donations to FBT
- Sponsoring several events at Hospitals or Cancer Centers
- Sponsoring a Patient Workshop
- Hosting a Team-Building Event
- Sponsoring a Fundraiser
- Donating Your Time and Expertise
